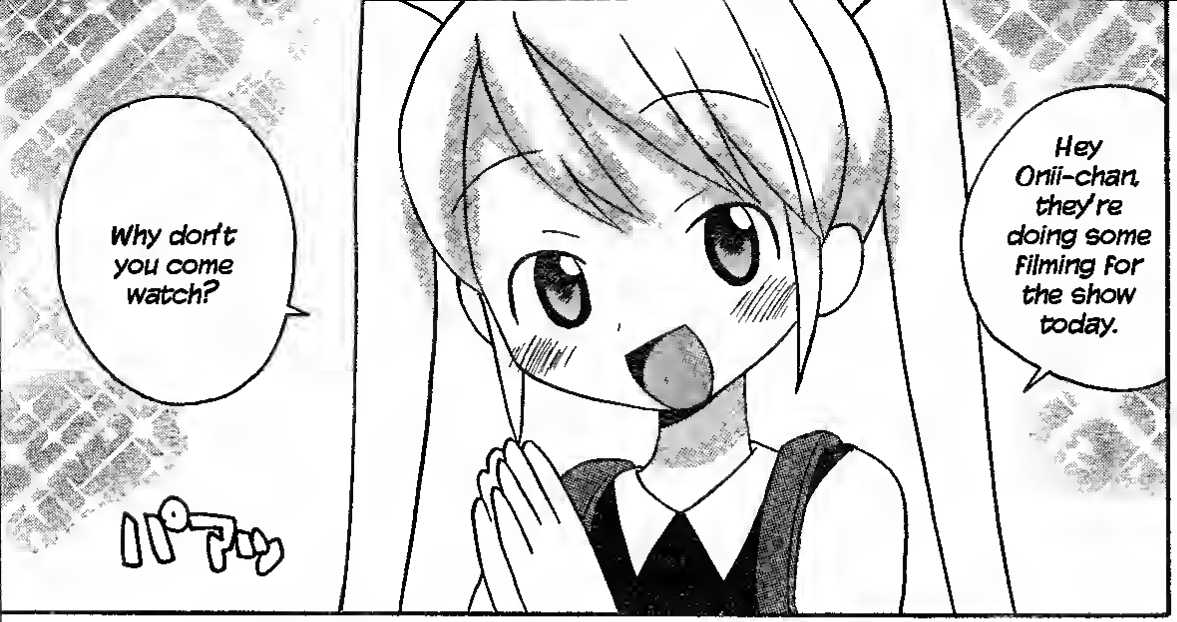
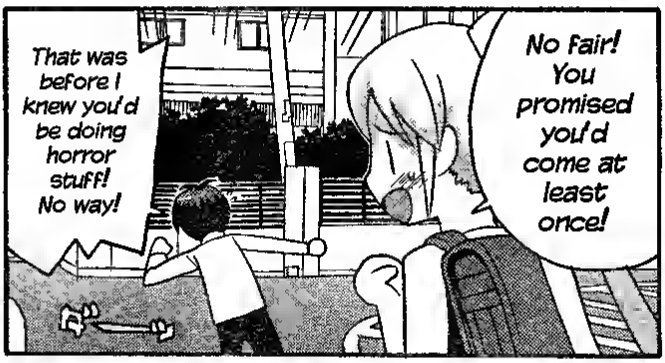
"SPLATTER SISTER" BY YUKIHIRO INOUE



Hey Onii-chan, they're doing some filming for the show today.
Why don't you come watch?
パアッ



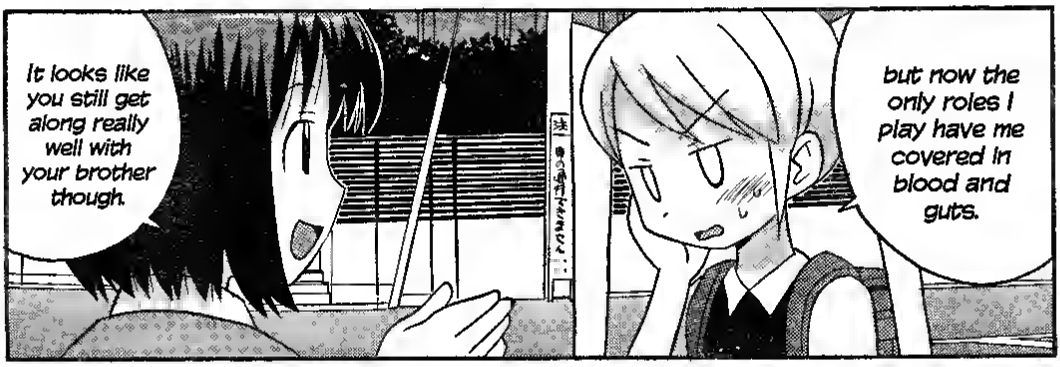
No fair! You promised you'd come at least once!
That was before I knew you'd be doing horror stuff! No way!
ダーッ

I told you, I hate horror!!
子供じゃ

Well, yeah.
There are a lot of bloody scenes today, aren't there?
Nnn... Oh, my manager Yoko.

Hi Sana. Something wrong?
Grrrr!

You're popular for your horror stuff, after all.
The work's a lot of fun and I love doing it.
My dad signed me up for an audition for a horror movie and I passed the audition.
and I'm glad my popularity took off and all.



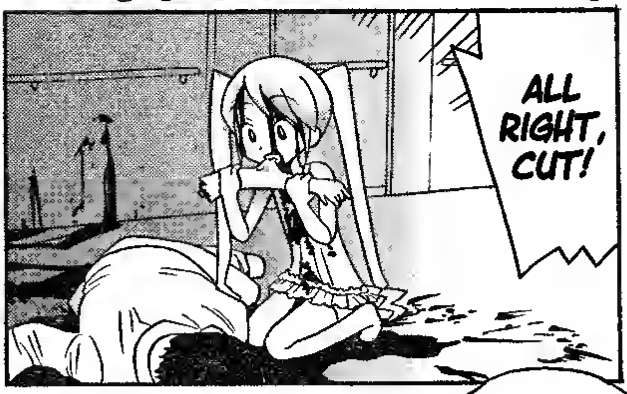
but now the only roles I play have me covered in blood and guts.
It looks like you still get along really well with your brother though.

I've been in love with him for a long time.

I have a weak body so I got sick a lot when I was younger.
He was always worried about me and would come to see me all the time.

Hos-
pital
Uhh, you probably shouldn't say that out loud.
So why doesn't he notice how I feel!?
Who's there !?
WAHHHH!

That was beautiful!! Perfect, Sana!!



ALL RIGHT, CUT!

Sana looks really cute when covered in blood.
I don't know why, but it just goes so well with her.
I feel a little dizzy when I look at her.
...I feel compelled to attack her.
Uh... Haha ha.
Nice work, Sana.
But I think I understand what everyone's saying about you being covered in blood.

Uh, actually, about that...
スパァッ
And this is just fake blood.
I think people might lose control of themselves if they saw your real blood!!!
Even I'm captivated with you.
You being covered in blood gives you a real special kind of attractiveness.
.....
Ah, Yoko.
Watch your step over there. Don't trip on that cord...
Well anyway.
I'm gonna get something to drink.
7
Blood...!
WAH, REAL BLOOD!
Ouch.
It hit me in the head!
Wahhh!
Whoa, Sana! Are you okay!?

ﾋﾟｸﾘ…

I've never seen such an attractive girl before.
I can't stop myself.
I love you, Sana. I need you...!

Oh my God.
ﾊﾞｼｬｯ

Yoko! Turn on the sprink-lers!
Whoa, what's going on!?

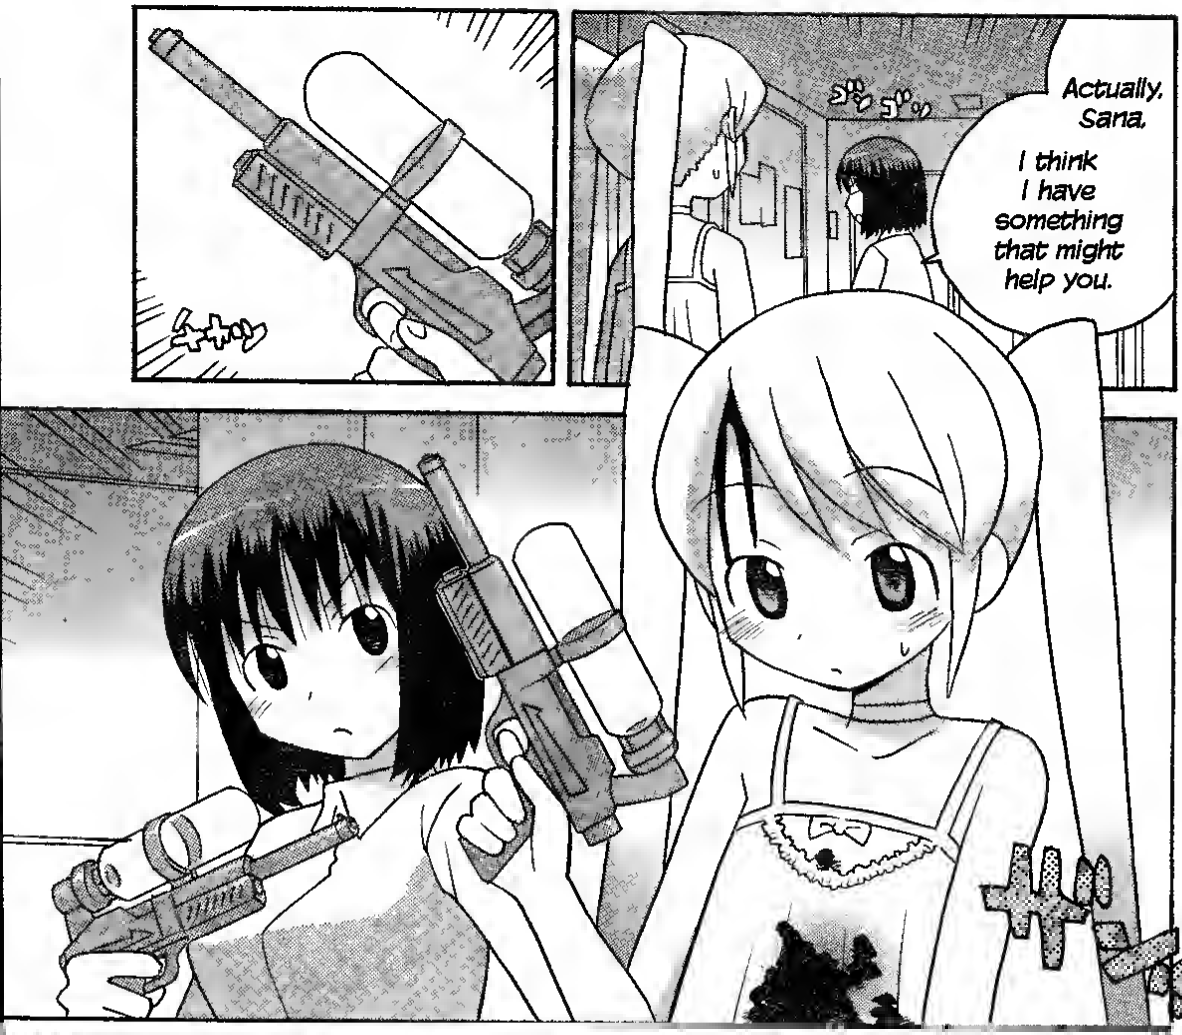
SANAAA!!!
WAAHH!

What the?
What's going on?
Wha?
Pssh!
If the sprinklers'll help, then okay!!
Uh, well...
Sana, what happened!?
Someone, stop it! Filming's cancelled for today!
Why are the sprinklers going off!?
Oh no, the set's flooded!
9
WHAT!?
You were right earlier, Yoko.
For some reason, when men see my blood they turn weird.

This isn't the first time this has happened.
Before, boys would just fall in love with me.
but it's gotten a lot worse since I've gotten older.

Getting water on them and cooling their heads down seems to change them back to normal.
I've always heard that idols have special powers to fascinate men.
but to think that your blood is that powerful.
If this is all true,

*Underage girl group rape: All men working on popular show arrested



Actually, Sana,
I think I have something that might help you.

so if someone sees your blood then shoot them in the face!!
They turn back to normal if they get water on them.

We were playing with them before. I wish this was still a game, but it's not.
Water guns?

Let's get out of here, Sana.
O... Okay!!
ドッ
Uhhh.
ｱﾀｯ
This is where Sana was shooting her show, right?
Sigh...
I hate horror, but I promised Sana.
I'll just take a quick look then go home.

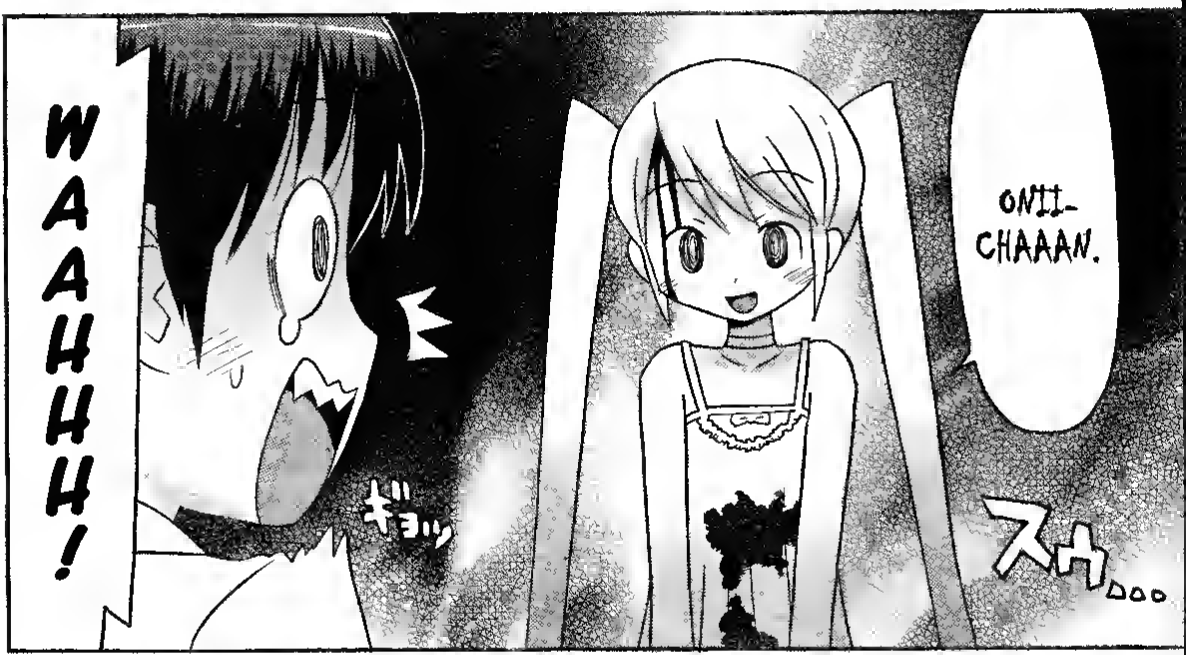
C'mon, Sana!
This way!
WAAHH!
The head!
Shoot 'em in the head!!
WAAHH!

We're almost there. You can do it.
I'm out of breath. I need a rest.
My body's too weak.
What? Where am I?
Oh, really?
Darn, no more fun.
You look disappointed, Yoko...
Actually, I think the blood's stopped.
Whenever my wound closes and the blood dries, it seems to be okay.
What!?
It's Onii-chan!
Sanaaa!
Huh?
Sana, where are you?

We should get you cleaned up.
I... I just got an idea.
Wait!
What!?
Sana, where are you going!?
I NEED TO SHOW ONII-CHAN MY BLOOD!!!
Hospitals are kind of scary...
Gulp.

Wh... What was that!?
!!
Clang!

The floor's all wet.
Something doesn't seem right.

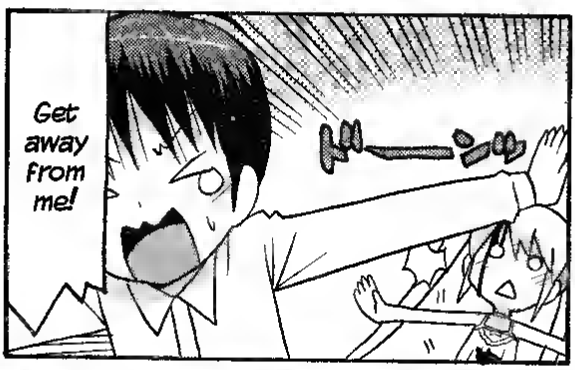


WAAHHH!
ONII-CHAAAN.

I'll let you love me tonight.
You've made me so happy... I want to thank you.

I'm so glad you came to see me today.
Oh... It's just you, Sana...

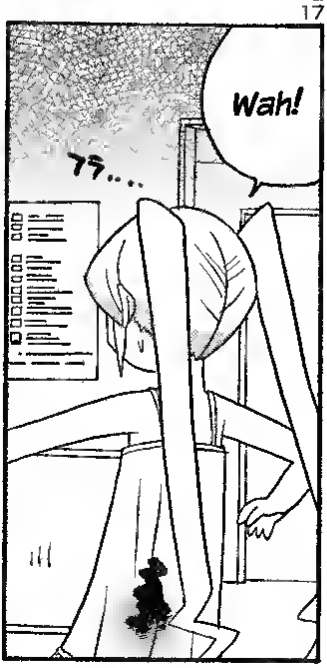
AAGHHH!
LOOK AT ME, ONII-CHAN!



Get away from me!

Blood's nothing! I'm not scary!!
Look at meee!
Blood...! This is scary!

Whoa, sorry.
Are you okay, Sa...
WAAHHH!



Wah!
ﾌﾗ...

!!!

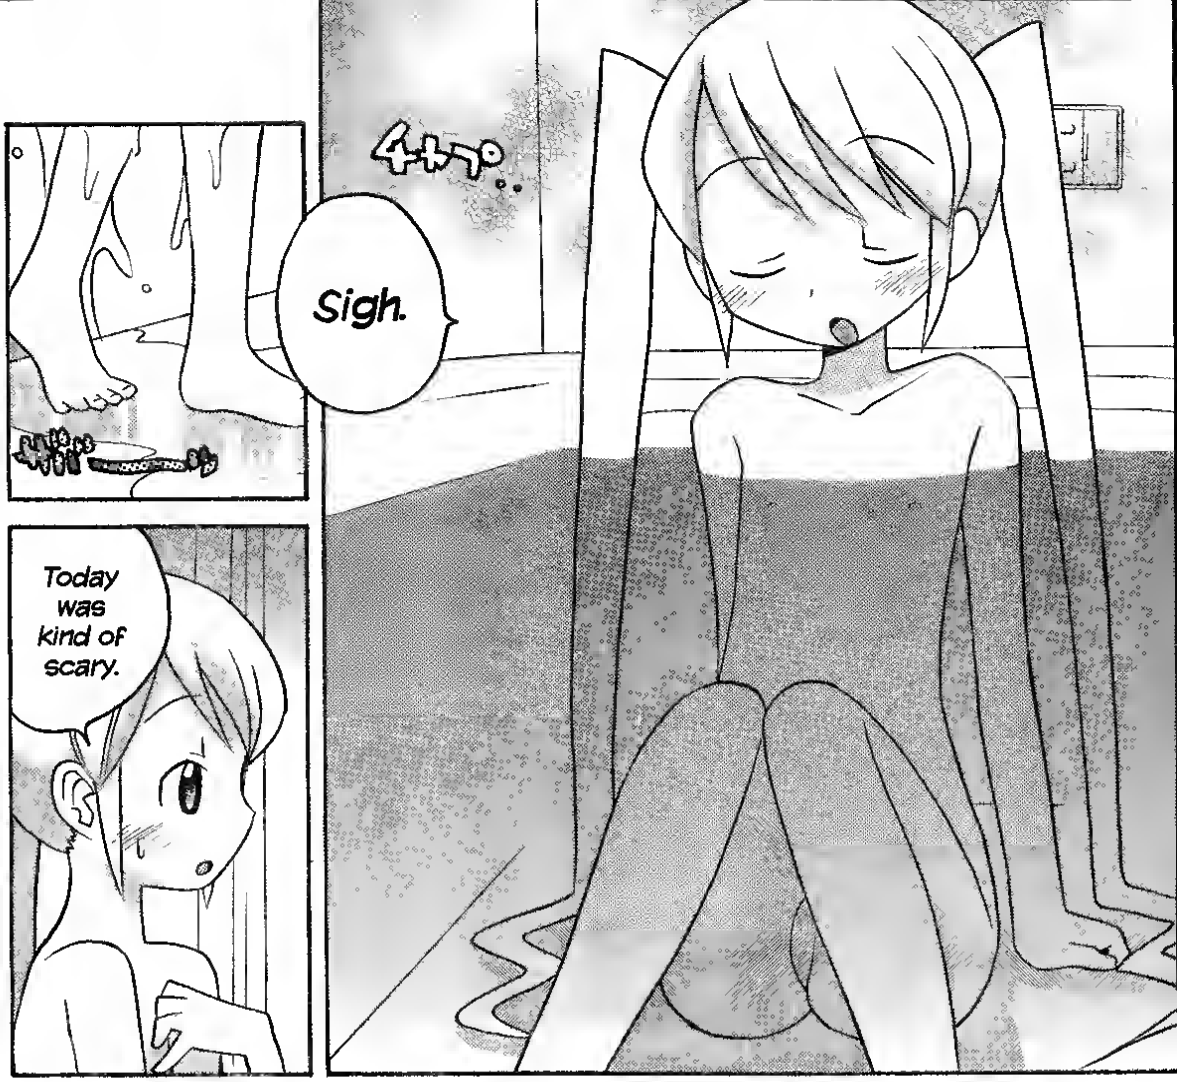
AAGH!
I didn't know he could move so fast!

Wah!
What are you doing over here, Sana?

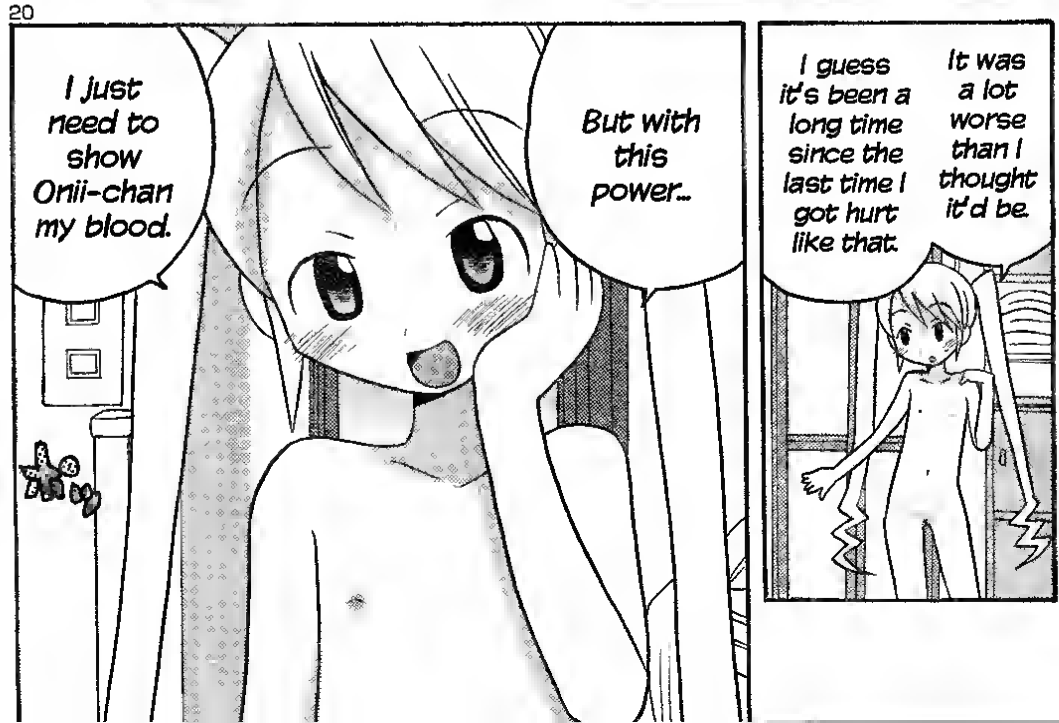
They're fake guts...
Oh... Don't worry, Onii-chan.

Ow.

Uh, Yoko, I think every-thing's fine now..
But you're safe as long as I'm around!!!
I'm glad you're okay.
I thought something might have happened.
Ah... I guess the blood's totally stopped now.
Stop it, ahhh!
Suck on this, you blood-thirsty living dead!



Sigh.
Today was kind of scary.

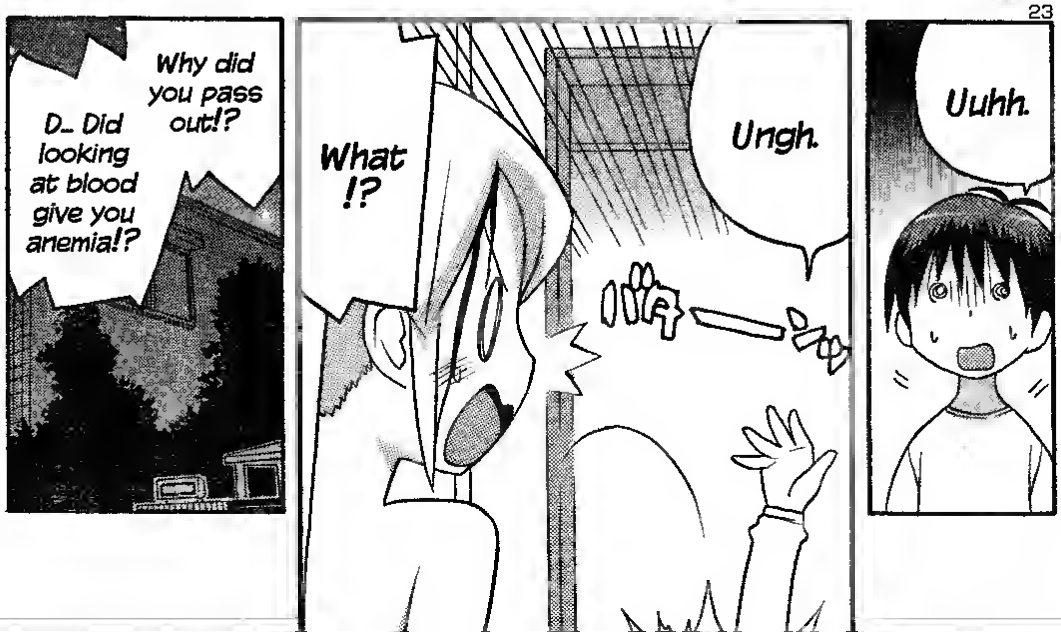


I just need to show Onii-chan my blood.
But with this power...
I guess it's been a long time since the last time I got hurt like that.
It was a lot worse than I thought it'd be.

Hey, wait.
He just left me there.
How could he!?! I'm getting mad again just thinking about it!!!
...Ah.
Wah! I was moving around too much after my bath and I'm bleeding again...!
Blood!
Are you okay, Sana!?!
...Ah!

Wait!
Don't open the door all of a sudden like that!!!
No, you idiot !!!
Did he see my blood ...!?
Blood ...!
Heh heh heh heh.
...Heh.
...Onii-chan?

YOU'RE ALL MINE, ONII-CHAN !!!
NOW SAY THAT YOU LOVE ME!!
UNCENSORED



Uuhh.
Ungh.
What !?
Why did you pass out!?
D... Did looking at blood give you anemia!?

I just need to get him used to it little by little.
